This year's King's High School KS3 production is a gloriously dark and funny reimagining of The Addams Family. Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a sweet, smart young man from a respectable family whom her parents have never met. She confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before— keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents.
